The Palmer Drought Severity Index shows southeast corner of Glasscock County to be abnormally dry and rest of the county is in a moderate drought for the month of February 2025. No public systems will be notified.

There were no wasteful practices for the month of February 2025.

For the Manager's report Rhetta informed the Board about attending a joint GMA 7 and GMA 3 meeting in Pecos to discuss new models for the DFC process. Rhetta will also be attending a Region F meeting in Big Spring for the 2026 Water Plan (6th Planning Cycle).

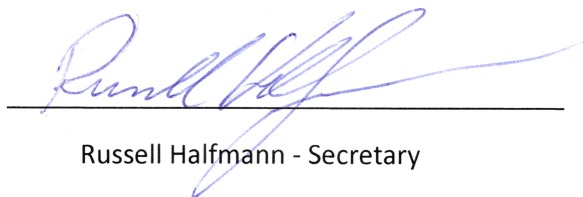

In other business, Rhetta informed the Board of an ongoing plumbing issue. The Board recommended Rhetta call Black Plumbing to request a camera to find the problem. The Board also gave Rhetta permission to approve a quote to have all work done to remedy the problem.

Rhetta discussed a few options to change the District's Scholarship Rules as recommended by our attorney.

With no other business, Bart Belew made a motion to adjourn, Seconded by Lane Halfmann. Motion passed and meeting adjourned at 9:46 am.
